

Truck Art

Museum of Transport & Traveling Glasgow City from Karachi, Pakistan. 1997

Truck Art is a way of honouring your vehicle.

“During two weeks trip to Pakistan in 1997, I was invited to make a study of a form of 'popular' public art. This was my introduction to 'Truck art'. I learned enough to be able to create my own 'Pakistani' art truck for Glasgow. This is where I initially began to consider and experience the blurring of distinction between art and the commercial approach to it. “ NAD
